

## Informed Consent for Taking Part in Physical Activity

The purpose of an exercise programme is to help you to achieve health and fitness goals. Your programme will be based upon your present activity/exercise levels and the goals that you wish to achieve. You will experience some feelings of exertion during each activity session and will become hot and uncomfortable at times.

Your breathing and heart rate will increase as a result of these activities as would be expected from physical exercise of this type. As your fitness improves, you will participate in more vigorous levels of activity, if this is part of your goal, but these should remain within your capabilities. All activities will be explained and demonstrated to you, but please feel free to ask questions about anything you wish.

Any exercise programme carries with it an element of risk. Your sessions are designed to minimise the risks whilst providing an effective exercise/activity programme. Please inform your trainer if, for any reason (such as illness or injury which might be aggravated by exercise, or eating certain foods), you should not participate in an activity.

During your sessions with your trainer present you will be closely supervised. During your sessions where your trainer is not present you will be responsible for your own safety. If, at any time, you feel undue pain or excessive discomfort stop the activity and inform your trainer of your symptoms.

Payments are required to be made prior to any and all sessions be it for monthly online sessions or outdoor and face to face sessions. Monthly online payments must be paid and cleared into the trainers account prior to the 5<sup>th</sup> of every month. Non-payment will result in being removed from monthly online groups and or attendance to outdoor and face to face sessions denied. All payments are non-refundable but may be transferable at the discretion of the trainer.

Cancellations must be advised 48 hours prior to the session date to allow for other persons to book in for sessions. Nonattendance sessions will not be transferred.

***You are free to withdraw from any activity at any time you wish.***

I have read and understood the Informed Consent form and I have read, understood and completed the PAR-Q form. All questions have been answered to the best of my knowledge. I agree and understand that participation in any outdoor, face to face or online sessions described to me by my trainer are done so entirely at my own risk. The nature, purpose, risks and benefits have been explained to me and I understand what is required of me and that I may withdraw at any time.

I accept all the above advisory, terms & conditions.
